WHAT IS TOASTMASTERS LEADERSHIP INSTITUTE (TLI)?

TLI is a format of Club Officer Training (COT) where many Districts have found success adopting. It is a whole day training with sessions conducted concurrently, including keynotes and additional courses such as evaluation, contest judging and leadership. The Distinguished Club Program (DCP) requirement is the same, a minimum of four club officer roles to attend four hours of training within the program. TLI provides more choices, flexibility and value to club officers.
